

ELVD Hummingbird/Hemlock Intersection Pre-Construction Meeting for Monday, April 30, 2018

Present: Diane Cunningham, Chairman for Commissioners (in person)  
Linda Whiting, Commissioner, (in person)  
Wayne Held, Commissioner, (in person)

Guests: Mike Bean, M. A. Bean Associates LLC  
Kevin Leonard, Northpoint Engineering  
Ian McGregor

ELVD Residents: Warren Flick, Rich Whiting, Debbie Kardaseski

The pre-construction meeting commenced at 6:00 PM by Commissioner Cunningham. Mike Bean explained the construction plans and procedures for the upcoming weeks. It was indicated that short term detours would be necessary during the construction operation. The construction workers would do their best to operate around the affected residents in regards to their daily routines.

By utilizing the engineering plans, Mike Bean was able to explain to concerned residents how the construction would be beneficial and long lasting to all those involved residents experiencing the current drainage issue. A few residents expressed procedural concerns and their ending results. Mike Bean satisfactorily answered those inquiries further by detailing specific construction operations.

Mike Bean stated his company would go the extra measure making sure that any issues, that affected residents from the current drainage issue, would be looked at for resolution.

Kevin Leonard presented the go-ahead construction contracts for Mike Bean, the construction contractor and Commissioner Diane Cunningham, Chairman of the BOC to sign in agreement.

The meeting was adjourned at 6:55 PM
