Present: Diane Cunningham, Chairman for Commissioners (in person)
Linda Whiting, Commissioner, (in person)
Wayne Held, Commissioner, (in person)

Guest: Laura Buono, Hillsborough Administrator

The workshop meeting was called to order at 6:00 PM by Commissioner Cunningham. The commissioners discussed with the town administrator the issue of building permits and a review of water hook-up permit costs. This discussion brought attention to the vacant lots in the district that could provide more taxable revenue.

Commissioner Wayne Held requested clarification from the town concerning submission of the semi-annual water warrant notification. Laura Buono agreed to look into the matter and stated her office would be available providing assistance to any concerns the District may have. The commissioners appreciated her offer and agreed to look into the water hook-up issue.

The commissioners reviewed materials for the upcoming Public Meeting on the warrant articles.

The next meeting will be Thursday, March 22, 2018 at 6:00 PM.

The meeting was adjourned at 6:45 PM.
