On May 25, 2022 @ 6:30 PM, a special workshop meeting was called to order by Commissioner Chairman Taber. The purpose of this meeting was to review for acceptance of the meeting minutes from 5/19/22.

The question was raised by Chairman Taber if the draft minutes were able to be read and if there were any suggestions for amendments or corrections. There were none.

A motion was made by Chairman Taber to accept the May 19, 2022 minutes as written; the motion was seconded by Commissioner Kardaseski. All commissioners were in favor- motion passed.

Information was shared by Chairman Taber about the Districts recognition and receipt of an award from the State of NHDES for the "2022 Source water Sustainability award". A plaque was presented on 5/24/22 to ELVD and Aquamen for their efforts over recent years at the work

performed toward water sustainability.

A write up was sent to the messenger about the award with the intent of sharing the recognition with the community.

It was noted that the Board would need to review at an upcoming meeting about potential cost changes to agreements. It was also noted that the certification notices to NHDES would be sent out today relative to the 2022 CCR report distribution and the N.O.V. (Notices of Violation) issued by the State.

A motion to adjourn was made by Commissioner Kardaseski and seconded by Chairman Taber, all commissioners present were in favor, motion passed. Meeting was adjourned at 6:33 PM
